ENGLISH VALLEYS COMMUNITY SCHOOL

North English, Iowa

## ***Golden Kapers***

Tom Smith, Editor

# *ENGLISH VALLEYS COMMUNITY HIGH SCHOOL*

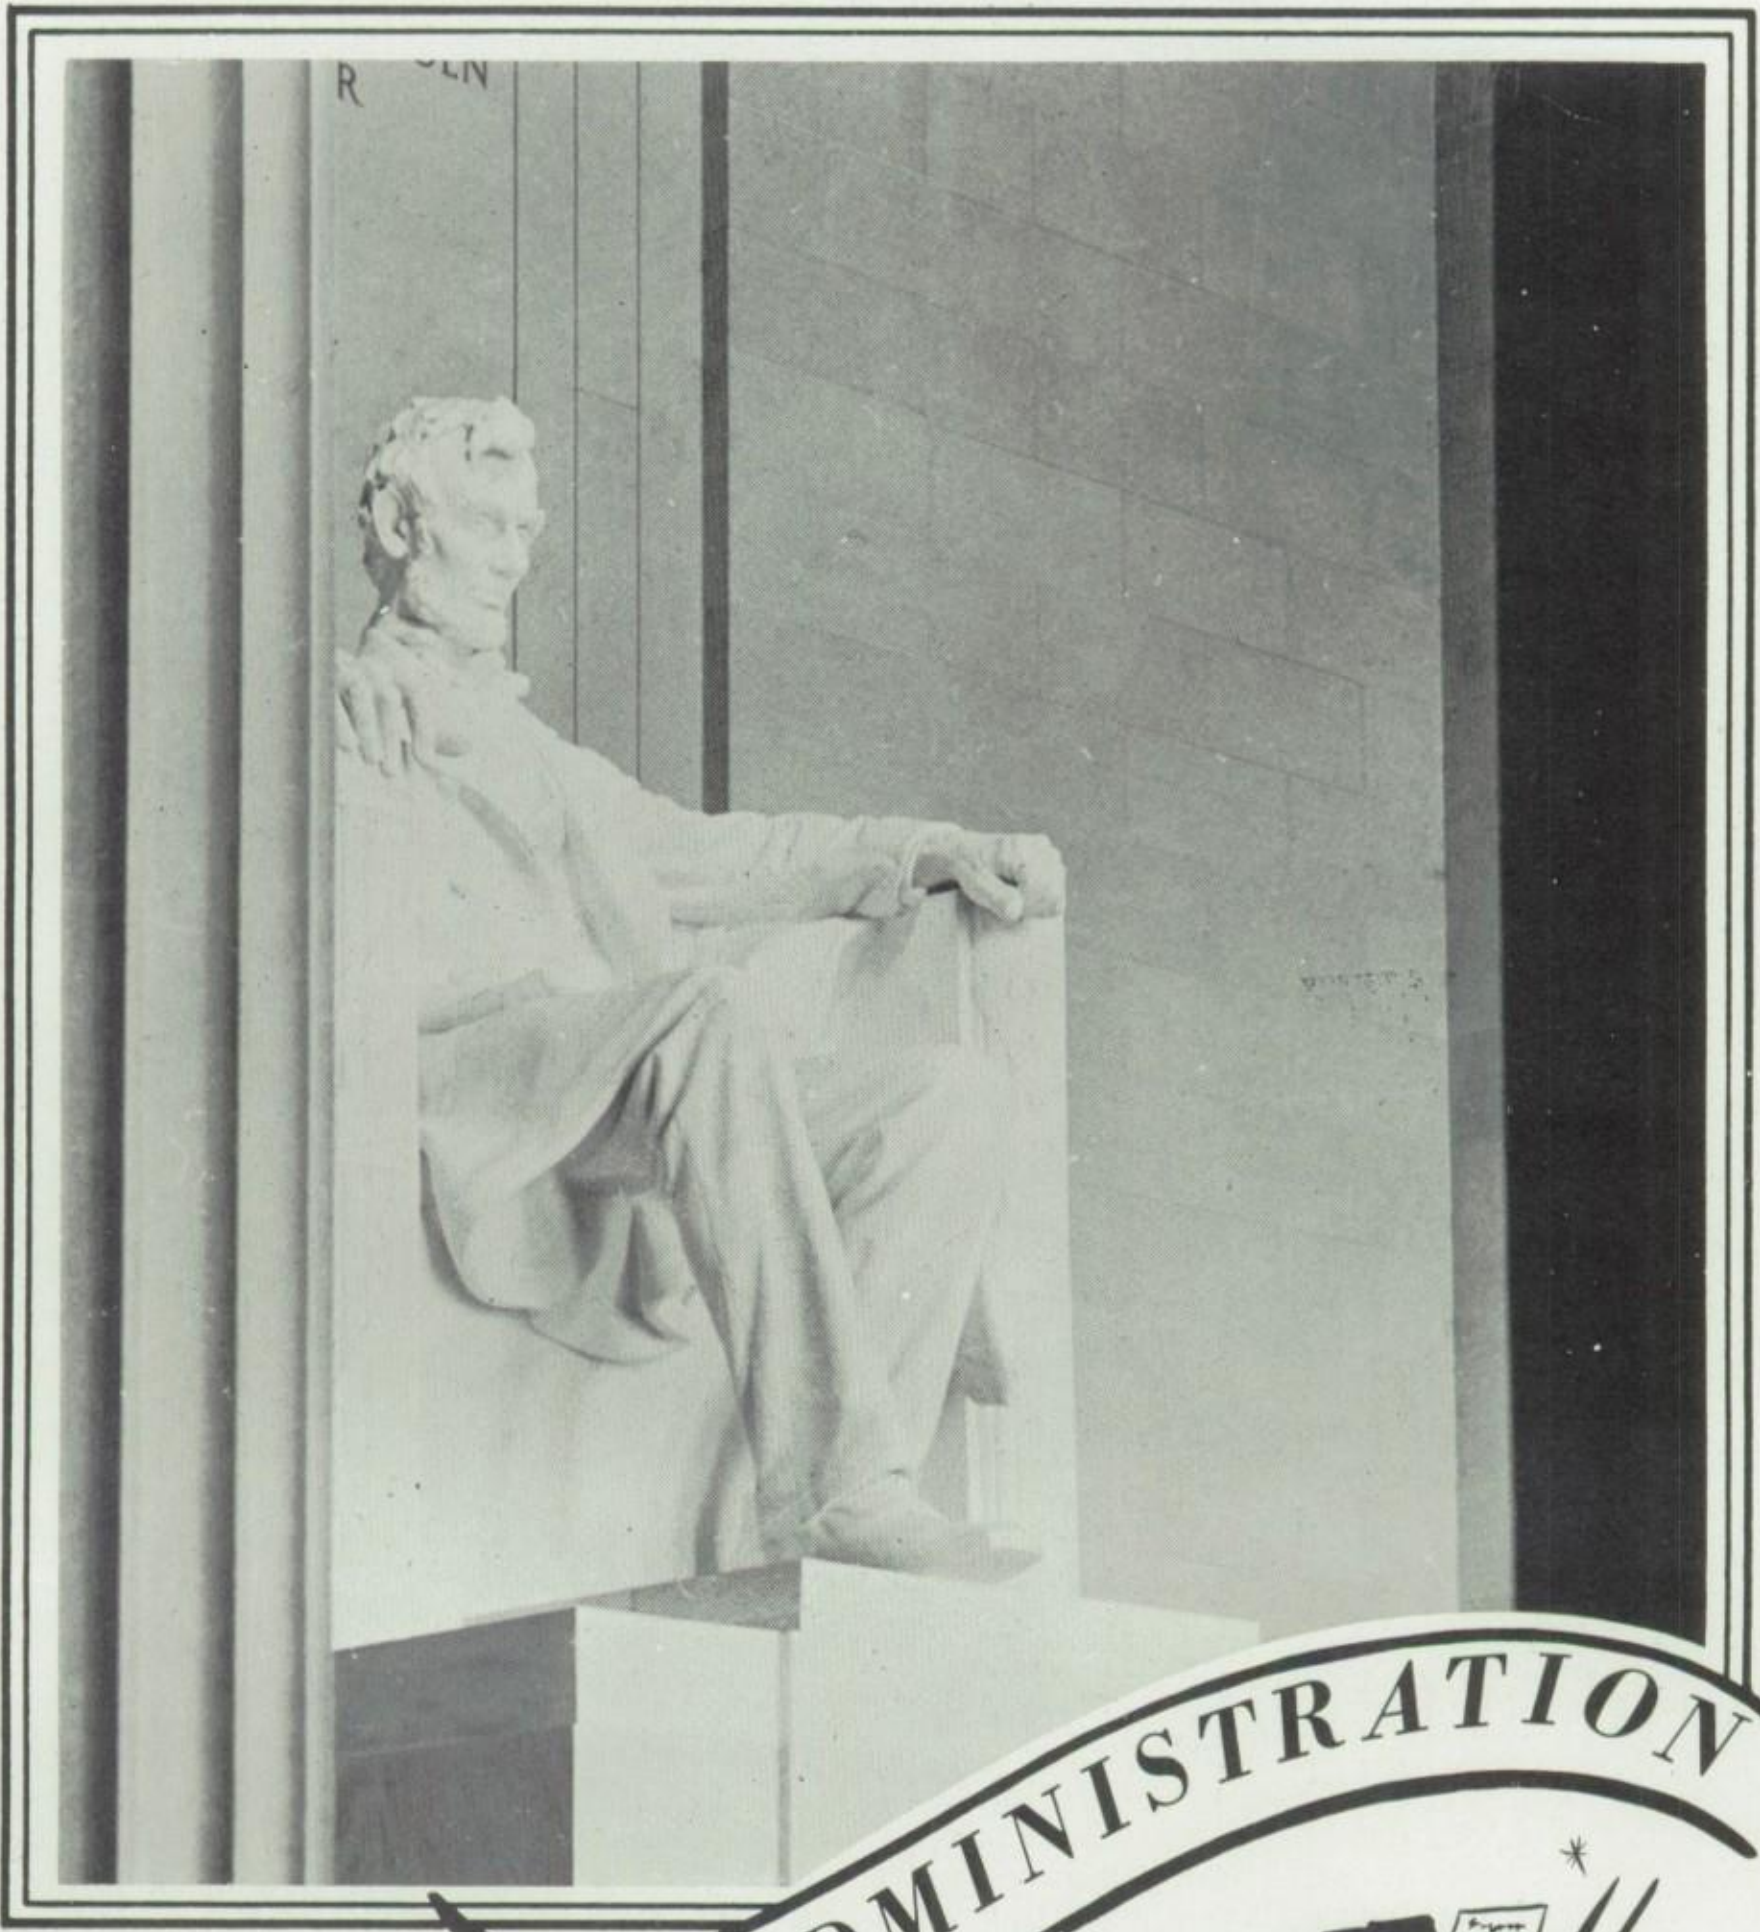

The new English Valleys Community High School is a great asset to this community. Both the excellent facilities and pleasant atmosphere are conducive to learning. In the classroom the students and teachers have available some of the best equipment with which to work. There are also excellent facilities for music, athletics, and other activities which play an important role in school life.

The new high school has been in use since January, 1965. Therefore the annual staff feels it is only proper to include the above picture in the 1965 annual.

## ***BERNADINE WARNER***

We the class of 1965 dedicate this edition of GOLDEN KAPERS to Bernadine Warner, an ardent school and public servant. Throughout our entire high school career she is the person who has performed those countless yet necessary little tasks for anyone in need. We had only to call and she was there. We speak not only for the class of 1965, but for all other classes as well. We hereby acknowledge your tireless efforts and unflinching generosity, Bernadine, and dedicate the 1965 annual to you.
